**Cracking the Creativity
Code: Discovering Ideas**

From Idea to Startup

**Innovation Career Lessons
from a Master**

**Action-Driven Business Plan:
From the 'Classroom' to the
World**

Jul 24, 2020

Huynh Thi Khanh Tram

has successfully completed the online, non-credit Specialization

Startup Entrepreneurship

Part One deals with ideas, and the creative imagination: discovering new ideas, new products, new services, new and better ways to do everything. Part Two focuses on how to build a business. This course guides the learner through a series of tools and methods that help take an idea and make it happen, in a way that can sustain the business or organization that delivers it to humanity. Use this course to build a solid business or organization around the idea you developed during the first course. Part Three offers Innovation Career Lessons from a Master with proven achievements. During this course you will listen to conversations and interviews with Dadi Perlmutter, who until recently was Executive VP for Intel corporate, the highest ranking Israeli executive of a multinational company.

Prof. Shlomo Maital,
Technion - Israeli
Institute of Technology

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
